

INTERGOVERNMENTAL AGREEMENT

BETWEEN
THE STATE OF ARIZONA,
AND
THE CITY OF PEORIA

THIS AGREEMENT is entered into 20 February 1998, pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and the CITY OF PEORIA, acting by and through its MAYOR AND CITY COUNCIL (the "City").

I. RECITALS

1. The State is empowered by Arizona Revised Statutes Section 28-108, 28-112 and 28-114 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.

2. The City is empowered by Arizona Revised Statutes Section 48-572, to enter into this agreement and has by resolution agreed to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the City.

3. The US Department of Transportation has allocated \$7,500,000.00 to the metropolitan Phoenix area to be administered by the State and Maricopa County to accomplish the program via a State, City and private sector partnership known as the "AZTech Project", for the expressed purpose of implementing an Integrated Regional Advanced Traveler Information System, and demonstrate intelligent transportation systems throughout the area and involve State, City, regional and local jurisdictions

4. The AZTech concept is to integrate the existing intelligent transportation infrastructure into a regional system. The State with Maricopa County, regional and local jurisdictions, are jointly developing the AZTech Project to establish and implement an integrated traveler information system for the multimodal traveler. The Project will enhance the transportation management systems for the Phoenix metropolitan area by providing up-to-the-minute travel information and facilitate signal coordination across jurisdictional boundaries, thereby providing increased safety and improved regional mobility.

5. The State and City are working together with other AZTech Project partners in a common goal of coordinating traffic management systems in direct consideration of a regional transportation system.

6. The State and the City have identified potential areas where Intelligent Transportation System (ITS) technology can be applied to improve traffic management and establish a Traffic Traveler Information System in the valley for the AZTech Project. The intent of this agreement is to define the terms of the parties with regard to respective responsibilities, related to the Traffic Traveler Information System. The term of the AZTech Project is 5 years.

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

II. SCOPE

1. The City will:

a. Provide representatives to the AZTech Project committees and working groups. Allow for and assist in the communication between the Traffic Operation Centers (TOCs). Allow timely access to the City's traffic system data bases. Participate in the development and implementation of a system evaluation plan. Participate in the development and implementation of multi-jurisdictional signal system timing plans and establish inter-operability between City, State and other jurisdictions. Participate in system training as required.

b. Participate in the installation of the initial KIOSK at the State's expense, at an estimated cost of \$20,000.00 per KIOSK, at the location proposed by the City and agreed upon by the State, (located at City Hall). Provide ongoing operations support and maintenance for the 5 year duration of the AZTech Project and be responsible for all costs beyond the initial expenditure by the State. Be responsible for additional KIOSKS at a fifty percent (50%) match, at an estimated cost of \$10,000.00 per KIOSK, at the location proposed by the City and agreed upon by the State, provided additional funding is available through the AZTech Project, should the City desire additional KIOSKS.

c. Be responsible for all data communications cost beyond the initial 36 month implementation of the AZTech program, at an estimated cost of \$550.00/month. At the end of the initial 36 month period, the City may negotiate with U S West Communications, (the video and data services provider), for video and data service needs beyond the initial implementation period at the current or a reestablished service level.

d. Be responsible for any contractor claims for extra compensation due to delays or whatever reason attributable to the City.

2. The State will:

a. Allow timely access to the AZTech Server System data base, which includes volume, occupancy and speed data to facilitate integration into the AZTech Project. Participate in the development and execution of a system evaluation plan.

b. Provide assistance to the City, in project planning, design review and construction, to the extent necessary, to implement the AZTech Traffic Traveler Information System.

c. Be responsible for the initial KIOSK, at an estimated cost of \$20,000.00 per KIOSK. Support and maintain all operating systems and traveler information software on the AZTech KIOSKS, at an estimated cost not to exceed \$3,000.00 per KIOSK, for the 5 year duration of the AZTech Project. Be responsible for additional KIOSKS at a fifty percent (50%) match, at an estimated cost of \$10,000.00 per KIOSK, at the location proposed by the City and agreed upon by the State, provided additional funding is available through the AZTech Project, should the City desire additional KIOSKS.

e. Be responsible for all data communications costs between traffic operations centers for the initial 36 month implementation of the AZTech program, at an estimated cost not to exceed \$20,000.00.

f. Be responsible for any contractor claims for extra compensation due to delays or whatever reason attributable to the State.

III. MISCELLANEOUS PROVISIONS

1. This agreement shall remain in force and effect until 30 June 2003, or until cancelled by either party upon thirty (30) days written notice to the other party, or by other competent authority.

2. This agreement shall become effective upon filing with the Secretary of State.

3. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

4. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.
